**RAKE UP
YOUR LEAVES
PLEASE**

Be a good neighbor, and rake up your leaves. The leaves from your home find their way to someone else's.

Turn a chore into an opportunity to spend some fun time with the kids.

Barking Dogs and Unwanted Gifts

This subject seems to be an ongoing problem in our neighborhood as I'm certain it is in all neighborhoods. The problem is pet control. The PPNA Board receives complaints regarding neighborhood pets that bark, run loose or drop off unwrapped presents on lawns or in flower beds.

To report animal control issues, call 817-392-3737. Animal control officers will advise you on your rights, pesky pet owner responsibilities and help you resolve the problem.

YARD OF THE MONTH November 2009

Navajo Court

Foreclosure Option on the Table

Last newsletter, we wrote an article regarding residents not paying their annual dues causing increased dues to those who do. The foreclosure option is on the table as an option. We have heard from a few concerned residents on this matter, however, we would like to hear from a larger number of residents before the PPNA Board makes a decision as to whether or not to pursue this option. We urge you to contact the board with your thoughts and concerns.

Please contact your PPNA Board via the PPNA website at www.myppna.com

Your PPNA Board is working more diligently to get information posted on our website that is pertinent to all of us. Please use our website as a resource. The 'safety links' section details issues within our neighborhood as well as documents from authorities regarding issues and how to avoid being a target. We would also welcome your feedback in regards to the website.
